

Bearings, R.G. Bolts & Miscellaneous 9" Thirdmember Components

- D1586** Side carrier bearing kit for 9" Ford (2.891" bore) **\$36⁰⁰**
- D1588** Side carrier bearing kit for 9" Ford (3.0625" bore) **\$36⁰⁰**
- D1590** Side carrier bearing kit for 9" Ford (35 & 40-spline spools using 3.250" bore case)... **\$36⁰⁰**
- H1111** Fel-Pro 9" performance gasket... **\$13.20**
- H1112G** Ford 9" gasket... **\$5.50**
- N1922A** Flanged pinion nut for standard 28-spline pinion shaft thread... **\$6.05**
- N1922B** Flanged pinion nut for Large 35 & 40-spline pinion shaft thread... **\$6.05**
- N1940** Pinion tail bearing for OEM Ford & Strange 9" Iron and Lightweight Aluminum cases... **\$18.89**
- N1941** Tail bearing retainer... **\$2.35**
- N1960** Pinion seal for stock pinion (#7044NA)... **\$8.50**
- N1961** Pinion seal for large pinion (#472015)... **\$8.50**
- N1962** Pinion depth shim kit... **\$14.85**
- †R5236** Strange 9" Installation kit- for use with "Daytona" Style pinion support. Includes- pinion nut, depth shims, carrier bearings & cups, N1916 Kit, tail bearing, tail bearing retainer clip, and ring gear bolts... **\$127.96**
- †R5236WR** R5236 plus cups & o-ring for pinion support (**Note:** all new Strange pinion supports already have cups & o-ring installed)... **\$144.21**
- †R5237** Strange 9" Installation kit- for use with N1922 pinion support & 28-spline pinion shaft. Includes- pinion nut, depth shims, carrier bearings & cups, N1923 Kit, tail bearing, tail bearing retainer clip, and ring gear bolts... **\$127.05**
- †R5237WR** R5237 plus cups & o-ring for pinion support (**Note:** all new Strange pinion supports already have cups & o-ring installed)... **\$148.86**
- †R5238** Strange 9" Installation kit- for use with N1922 pinion support & 35-spline pinion shaft. Includes- pinion nut, depth shims, carrier bearings & cups, N1924 Kit, tail bearing, tail bearing retainer clip, and 2 Sets of ring gear bolts... **\$132.32**
- †R5238WR** R5238 plus cups & o-ring for pinion support (**Note:** all new Strange pinion supports already have cups & o-ring installed)... **\$154.13**
- R5240** 9" installation kit for Posi-Units (includes: pinion shims, carrier shims, crush sleeve, pinion seal, pinion nut, ring gear bolts & gasket)... **\$37.00**
- R5242** 9" installation kit for "OPEN" unit (includes: pinion shims, carrier shims, crush sleeve, pin. seal, pinion nut, ring gear bolts & gasket)... **\$37.00**
- N1964** R.G. bolts (1/2"-20 x .875") (10 EA.)... **\$8.82**
- N1965** Ring gear bolts (7/16"-20 x .875") (10 EA.)- for Strange spools... **\$8.82**
- N1966** Ring gear bolts (7/16"-20 with 1/2" shoulder) (10 EA.)... **\$16.48**
- N1967** Ring gear bolts (7/16"-20 x 1")- for lockers, open and Truetrac (worm type) differentials (10 EA.)... **\$8.82**
- N1968** Ring gear bolts (7/16"-20 x 1.250")- for posi-units (10 EA.)... **\$8.82**
- L6000Q** 7/16"-20 X .875" 12-pt. Ring gear bolt- for "L-6000" series spools (EA)... **\$1.50**
- L6000R** 1/2"-20 X .875" 12-pt. Ring gear bolt- for "L-6000" series spools (EA)... **\$1.50**
- N1973** ARP ring gear bolts (7/16"-20 x .950") with washers (for 40-spline alum. spool) (10 pcs.)... **\$39.88**
- *N1975** ARP ring gear bolts (7/16"-20 x 1") with washers (for use w/Strange steel spools) (10 pcs.)... **\$24.20**
- *N1976** ARP ring gear bolts (1/2"-20 x 1.0625") with washers (for use w/Strange steel spools) (10 pcs.)... **\$41.80**
- * ARP ring gear bolts may have to be machined .0625" when used with D2000 or D1555 spools.**
- † Please specify type of differential and case bore size**
