

All gear sets are **STRANGE** or **MOTIVE (Italian)** Performance- unless specified

RSE7TZ4209 3.08 ratio... \$158⁰⁰
 RS07888355 3.55 ratio... \$158⁰⁰
 RS07888373 3.73 ratio... \$158⁰⁰
 RSF888390 3.90 ratio... \$158⁰⁰
 RS07888410 4.10 ratio... \$169⁰⁰
 RS07888430 4.30 ratio... \$169⁰⁰

RS07888456 4.56 ratio... \$169⁰⁰

RS07888488 4.88 ratio (posi requires modified cross shaft)... \$175⁰⁰

RS07888513 5.13 ratio (posi requires modified cross shaft)... \$175⁰⁰

8.8" Ford Installation Kits & Pinion Yoke

When investing in a new gear set and/or carrier it is important to use new bearings, seals, ring gear bolts, and other essential installation components. New installation components will reduce the chance of gear set and component failure.

D1582 8.8" Ford side bearing kit (2-cups/2-cones)... \$36⁰⁰

R5230 8.8" Ford basic installation kit. Includes: pinion shims, crush sleeve, pinion seal, pinion nut, carrier shims, ring gear bolts & cover gasket (Kit)... \$34⁰⁰

R5231 8.8" Ford **master installation kit**. Includes: R5230 plus Timken cups & cones for pinion & carrier (Kit)... \$94⁰⁰

U1630 1350-series pinion yoke... \$89.50

Safety Hub Kits (C-Clip Eliminator) for 8.8" Ford Application

A1090 Safety Hubs (C-Clip Eliminator) for Strange axles in factory 8.8" Ford housing end (except for disc or truck brakes). This kit features Timken roller bearings **(kit)- Street and Strip..... \$130.20**

A1092 Safety Hubs (C-Clip Eliminator) for stock axles in factory 8.8" Ford housing end (except for disc or truck brakes). This kit features low friction ball bearings **(kit)- Drag Racing Only..... \$141.24**

***A1096** Safety Hubs (C-Clip Eliminator) with caliper mounts for 94-04 factory 8.8" Ford Mustang housing ends equipped with stock disc brakes (except for Cobra) and axles. Features Timken roller bearings **(kit)- Street and Strip..... \$229.90**

A1098 Safety Hubs (C-Clip Eliminator) with caliper mounts for 05-08 factory 8.8" Ford Mustang housing ends equipped with stock disc brakes (except for Cobra) and axles. Features Timken roller bearings **(kit)- Street and Strip..... \$229.90**

*** When using A1096 with an abs system, Strange A1094E (\$34.50 ea.) axle reluctor ring must be used to maintain abs.**
