

## Brake Line and Kits • Chassis Components- Spindles

### Brake Line and Kits

P2338 .188" (3/16") steel brake line- 25' coil **(ea)...** \$20.08

P2340 Pre-made 16" hose (steel braided line) w/#3 A-N ends installed (straight/90°) **(ea)...** \$17.88

P2341 Pre-made 18" hose (steel braided line) w/#3 A-N ends installed (straight/straight) **(ea)** \$20.55

P2342 Pre-made 20" hose (steel braided line) w/#3 A-N ends installed (straight/straight) **(ea)** \$20.55

P2343 Pre-made 22" hose (steel braided line) w/#3 A-N ends installed (straight/straight) **(ea)** \$20.55

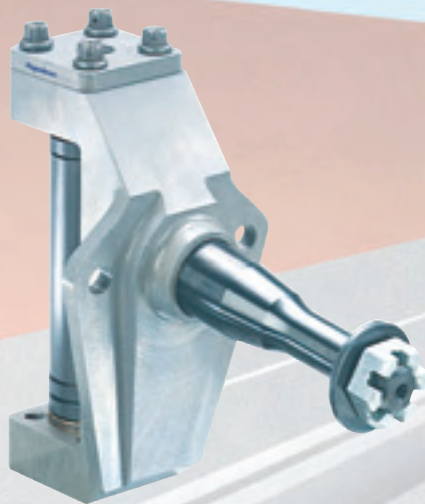

P2346 Pre-made 24" hose (steel braided line) w/#3 A-N ends installed (straight/straight) **(ea)...** \$20.55

P2382 Dragster- #3 A-N fitting & hose (24") plumbing kit. Includes plumbing from calipers to master cylinder- does not include hardline **(ea)...** \$91.80

P2383 Front- #3 A-N fitting & hose kit for Pro Stock/Super Gas type cars. Includes plumbing from calipers to line lock- does not include hardline **(ea)...** \$87.56

P2384 Rear- #3 A-N fitting & hose kit for Pro Stock/Super Gas type cars. Includes plumbing from calipers to master cylinder- does not include hardline **(ea)...** \$82.54

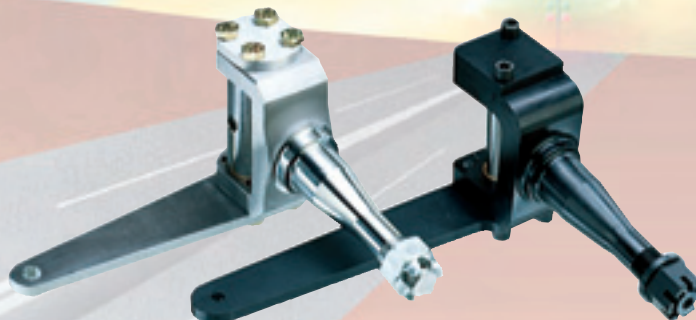

### Chassis Components- Front Spindles

Strange adjustable height spindles allow for at-the-track chassis preload adjustments by simply relocating spacers. Our billet aluminum spindle body and heat treated spindle accepts all existing anglia style spindle mount wheels. The spindle fits our aluminum, steel or carbon front brakes, which feature our single piston caliper with square pads.

S3422 Strange adjustable height front spindles (Funny Car application) **(pr)...** \$620<sup>00</sup>

S3422NA (S3422-w/out steering arms) **(pr)...** \$588<sup>00</sup>

Steel spindles (S3457) are machined to exacting standards from 4130 chrome-moly billets. After heat treating, the spindles are magnafluxed, finish ground, and bronze bushings are installed and align honed. Spindles come with heat treated and ground king pins and steering arms. S3457 spindle kit includes axle bosses.

Strange also offers a billet aluminum dragster spindle kit (S-3425). Designed for lightweight applications- call to discuss your application.

S3457 Stiletto steel front spindles (includes axle bosses) **(pr)...** \$289<sup>00</sup>

S3458 Rebuild kit for S3457- '93 & later **(pr)...** \$44.50

S3426 Rebuild kit for S3457- '92 & earlier **(pr)...** \$44.50

S3425 Strange aluminum spindles- call to discuss your application **(pr)...** \$268.50

S3457WT Labor- install caliper ears on S3457 **(pr)...** 70<sup>00</sup>
